DISTRICT**

stop by our office this month for a fun stress ball!

EAGLE SEWER DISTRICT TREATMENT PLANT

WHEN THE WASTEWATER SYSTEM IS USED INAPPROPRIATELY AS A GARBAGE CAN IT FORCES EAGLE SEWER DISTRICT TO SPEND MILLIONS OF DOLLARS TO FILTER TRASH OUT OF OUR SYSTEM AND INTO THE GARBAGE WHERE IT BELONGS.

BECAUSE OF THE AMOUNT OF GARBAGE WE ARE RECEIVING THROUGH THE WASTEWATER SYSTEM, IN 2023 WE ARE SPENDING \$1.2 MILLION TO IMPROVE OUR SCREENING INFRASTRUCTURE.

PLEASE HELP US AVOID THESE COSTLY PROJECTS BY PUTTING TRASH IN THE TRASH AND NOT DOWN THE TOILET OR SINK!

ACTUAL FILTER SCREENS AT OUR TREATMENT PLANT, FULL OF WIPES AND DEBRIS
